Adoption, Faith and “Children of Dreams”

Children of Dreams, Lorilyn Roberts’ newest book, is the story of two children, adoption, and God’s love. It is an inspiring tale of turning stolen dreams into life-altering hope and will challenge even the most reserved reader to believe miracles do happen.

Being more than a story of adoption, *Children of Dreams* tells of God’s redemptive love, His everlasting faithfulness, and His healing power in the most difficult of circumstances.

Beginning with the adoption of her first daughter, Ms. Roberts never gives up on her dreams to become a mother when she heroically overcomes Nepali adoption laws, life-threatening illness, and communist blockades. Later, she is faced with a terrifying illness when her daughter is diagnosed with neurocysticercosis that is common in third-world countries. With documents expiring, the possibility of never seeing her second daughter, and God’s miraculous healing and intervention, Ms. Roberts is able to travel to Vietnam to complete her second adoption. There she is confronted with deceit, baby-selling, and a possible kidnapping of her second child. Throughout the book, the reader bears witness to hopelessness transformed into joy based on a heavenly love that could only come from God Himself.

Having been adopted as a child, Ms. Roberts has the ability to give a true, intimate representation of the path of adoption. She allows the reader a peek into her own life through adoption by her earthly father, her daughters, and what it means to be adopted by the Heavenly Father.

Children of Dreams (ISBN: 978-1-60264-386-4/978-1-60264-387-1) is available in softcover and hardcover from Virtualbookworm.com, Amazon.com, and Barnesandnoble.com. This book can also be ordered from most bookstores around the United States and United Kingdom. More information can be found at her official website, www.lrobertsbooks.com.
